SUPPLEMENTAL AGENDA

46-A. Los Angeles County Shelter Crisis Declaration

Recommendation as submitted by Supervisor Solis: Find that, pursuant to Government Code Section 8698 et seq., a significant number of persons within the County are without the ability to obtain shelter, which has resulted in a threat to those persons' health and safety; in accordance with Government Code Section 8698 et seq., adopt a resolution declaring that the shelter crisis previously declared to exist within the County remains in effect for an additional year, during the period from November 2, 2024 through November 1, 2025; authorize the Chief Executive Officer to designate County public facilities for use as homeless shelters during the period of the declared shelter crisis; find that the proposed actions are either not subject to, or are exempt from, the California Environmental Quality Act; and take the following actions:

Find that, as a result of the Board's shelter crisis declaration, pursuant to Government Code Section 8698.1, any State or local regulatory statute, regulation, or ordinance prescribing standards of housing, health, or safety are hereby suspended for qualifying County public facilities serving as homeless shelters, to the extent that strict compliance therewith would prevent, hinder or delay the County's efforts to mitigate the effects of the shelter crisis, and that the County has, in place of such standards, enacted alternative minimal health and safety standards pursuant to Government Code Section 8698.1(b) for qualifying facilities to be operative during the housing emergency;

Find that, pursuant to Government Code Section 8698.4, provisions of any housing, health, habitability, planning and zoning, or safety standards, procedures, or laws are hereby suspended for County homeless shelters insofar as the County has adopted the emergency housing provisions in the Los Angeles County Building Code (LACBC), consistent with ensuring minimal public health and safety and the requirements of Government Code Section 8698.4;

Direct the Chief Executive Officer take all appropriate steps to ensure compliance with the provisions of Government Code Section 8698.4 including, but not limited to, ensuring compliance with minimal public health and safety standards, filing a copy of the County's emergency housing provisions of the LACBC with the Department of Housing and Community Development (HCD), upon adoption of an ordinance subject to Government Code Section 8698.4, and filing an annual report by January 1st of each year to the Senate Committee on Housing and the Assembly Committee on HCD; and
