11. Confronting the Drug Overdose Epidemic

Revised recommendation as submitted by Supervisors Solis and Mitchell: Instruct the Director of Public Health, in partnership with the Directors of Health Services and Children and Family Services, the Acting Director of Mental Health, the Alliance for Health Integration, the Medical Examiner-Coroner, the Alternatives to Incarceration Initiative, the Interim Executive Directors of the Los Angeles County Homeless Services Authority, the Executive Director of the Homeless Initiative, the Superintendent of Schools of the Los Angeles County Office of Education, the Chief Executive Officer, other applicable entities, and community stakeholders, to report back to the Board in writing within 120 days and biannually thereafter with an updated plan of action to address the growing crisis of overdose deaths related to methamphetamine, fentanyl, opioids and other substances, with considerations in this plan to include, but not to be limited to, the following:

Build on current planning processes and strategies established by the Department of Public Health - Substance Abuse Prevention and Control and the Department of Health Services in partnership with Chief Executive Officer's Anti-Racism, Diversity and Inclusion initiative to ensure coordination with relevant County Departments, the Alliance for Health Integration, and key stakeholders such as community-based organizations, faith-based organizations, Federally Qualified Health Centers, hospitals, County jails, Probation camps and halls, and managed care plans, County mental health plans, and County Substance Use Disorder plans tasked with implementing various Statewide initiatives such as Drug Medi-Cal Organized Delivery System and California Advancing and Innovating Medi-Cal, to support shared goals around reducing the risk of drug overdoses;

Ensure strategies to address the drug overdose epidemic among populations disproportionately impacted by overdoses, including persons of color, individuals who are justice-involved, people experiencing homelessness, and LGBTQ+ residents;

Work with the housing system to expand the housing continuum and availability of recovery-oriented permanent, interim, and emergency housing options throughout the County, in addition to currently available Housing First models, with particular focus on unhoused individuals with justice involvement who use drugs;

Provide recommendations to expand and promote access to navigation services for people with Substance Use Disorders (SUDs), including the

unhoused and justice-involved, to access services, including permanent supportive housing;

Provide recommendations to expand harm reduction efforts including, but not limited to, developing a plan to establish safer consumption sites in the County, expanded distribution of fentanyl strips, naloxone, drug checking and low-threshold Medication-Assisted Treatment (MAT), including in carceral facilities for adults and youth, and exploring the feasibility of funding for prevention case management;

Expand bidirectional screening and referral processes across systems caring for persons with shared risk factors for SUD, HIV, sexually transmitted infections and viral hepatitis, such that individuals who are receiving any of these services are screened and referred for other service needs associated with risk factors, including the need for HIV Pre-Exposure Prophylaxis/Post-Exposure Prophylaxis;

Implement evidence-based, age-appropriate substance use curricula for students K-12 and for those in Probation camps and halls and their parents/guardians;

Expand the accessibility of contingency management interventions;

Expand efforts to explore and offer MAT options for methamphetamine and other SUDs;

Work with County Departments who serve people who use drugs to expand trauma-informed and culturally responsive trainings around harm reduction, overdose prevention and other related topics;

Develop a framework and timeline, including key metrics and milestone goals, to define success related to addressing the overdose epidemic in the County;

Assess the funding in each Department's budget that is used to serve people who use drugs to determine how best to leverage funding to maximize the County's resources for this population, including the allocation of opiod settlement dollars, and identify funding gaps and work with the Chief Executive Officer on strategies to address those gaps; and

Direct the Chief Executive Officer, through the Legislative Affairs and Intergovernmental Relations Division, and the Los Angeles County Advocates in Sacramento and Washington D.C., to coordinate with the

Directors of Public Health and Health Services, and the Acting Director of Mental Health, to advocate with Governor Gavin Newsom, the State Legislature, the California Department of Public Health, and the California Department of Health and Human Services, and Congress, for additional Federal and State resources to combat substance use and the overdose epidemic, this includes increasing Federal- and State-level recruitment, retention, training and educational resources and requirements for SUD counselors, the primary workforce delivering specialty SUD prevention, harm reduction and treatment services across the County.

Antigone Robinson, Kathy Vu, Mia Sena, Matt Harper, Richard Zaldivar, Steven Shoptaw, Katja Nelson and Everardo Alvizo addressed the Board. Interested person(s) also submitted written testimony.

Supervisors Solis and Mitchell revised their joint motion as detailed above.

Supervisor Hahn made a motion to amend Supervisors Solis and Mitchell's joint motion as indicated below:

Instruct the Director of Public Health, in partnership with the Directors of Health Services and Children and Family Services, the Acting Director of Mental Health, the Alliance for Health Integration, the Medical Examiner-Coroner, the Alternatives to Incarceration Initiative, the Interim Executive Directors of the Los Angeles County Homeless Services Authority, the Executive Director of the Homeless Initiative, the Superintendent of Schools of the Los Angeles County Office of Education, the Chief Executive Officer, the Long Beach Department of Health and Human Services, other applicable entities, and community stakeholders, to report back to the Board in writing within 120 days and biannually thereafter with an updated plan of action to address the growing crisis of overdose deaths related to methamphetamine, fentanyl, opioids and other substances, with considerations in this plan to include, but not to be limited to, the following:

- 8. Expand the accessibility of contingency management interventions; including consideration of prescription digital**

therapeutics for addiction treatment;...

Supervisor Barger made a motion to further amend Supervisors Solis and Mitchell's joint motion to add the City of Pasadena's Public Health Department to the partner agencies listed in Directive No. 1.

Supervisors Solis and Mitchell accepted Supervisors Hahn and Barger's amendments.

After discussion, on motion of Supervisor Solis, seconded by Supervisor Mitchell, this item, as amended, was duly carried by the following vote: (22-2789)
