Agenda #	Relate To	Position	Name	Comments
Public Comment		Favor	Maria Gut	La county consideration to make December 24th a Holiday.
		Oppose	Sharonda Bush	I strongly oppose the County's decision not to transition LAHSA staff and programs into the new department. LAHSA staff have the relationships, experience, and direct knowledge needed to continue this vital work without disruption. Excluding them creates unnecessary instability for both service providers and the people we serve. The County should prioritize continuity, collaboration, and the preservation of institutional knowledge by integrating existing LAHSA staff and programs into the new department.
			Shaun Niyo-Ramdas	Good morning Chair and Members of the Los Angeles County Board of Supervisors, My name is Shaun. I live in Westchester and I work for the Los Angeles Homeless Services Authority (LAHSA). I'm submitting this comment because the rollout of the new County Homeless Department—without a pathway for LAHSA staff and programs—puts two things at grave risk: (1) the livelihoods of skilled public servants who may now face homelessness themselves, and (2) the continuity and competence of the very system the Board is trying to strengthen. When the Board advanced this reform, staff were told there would be a transition for LAHSA employees into the new department. Many of us made life decisions—leases, childcare, commutes—in reliance on that promise. We now hear there will be no prioritization, no transfer pathway, and no movement of LAHSA-run programs with their staff. For the people who built and keep this system running, that reversal feels like a profound breach. The emotions in our hallways are raw: fear about losing income, betrayal at the broken commitment, and a growing sense of hopelessness that the system we serve does not value the people who make it work. Please understand the stakes for staff as human beings. LAHSA workers are not abstractions; we are renters, caregivers, first-generation graduates, veterans, and immigrants. Many of us live paycheck to paycheck in one of the nation's most expensive housing markets. If our jobs disappear suddenly—without a predictable transition—a portion of the workforce that prevents homelessness by day could experience it by night. It is a cruel irony: the people trained to move others from crisis to stability are themselves pushed toward crisis. That outcome would be morally unacceptable and operationally self-defeating. The skills at risk are not easily replaced. Our outreach leads know which motel manager will take a late-night placement. Our youth specialists understand how to document school enrollment so a parenting TAY can keep childcare. Our data teams know how to reconcile a bed inventory so a real

bed matches a real person today—not next week. Our contract, CES, and program staff navigate exceptions, escalate safety concerns, and get the “last mile” done. If those people are cut loose, the system loses muscle memory that took years to develop. Vacancies and churn will slow referrals, strand vouchers, and leave beds unused. Clients will feel the consequences as missed handoffs, delayed move-ins, and nights spent outside that never needed to happen.

I want the new department to succeed. Stronger accountability and alignment can help. But reform that discards the workforce is not reform—it is amnesia. You cannot safeguard continuity by severing the hands that hold it together. A broken promise to staff will be experienced as a broken promise to the public, because the public experiences this system through the skill, compassion, and consistency of its people.

I respectfully ask the Board to keep faith with the original motion and with the workers who believed it:

Publicly reaffirm and implement a transition pathway for LAHSA staff—prioritized interviews, recognition of years of service, and portability of benefits/tenure where feasible.

Phase program transitions with staff attached. Move the work with the workers so knowledge, relationships, and outcomes travel together.

Publish continuity standards—for referrals, matching, move-ins, data integrity, and invoice timeliness—and report on them during the transition so clients do not bear the cost of organizational change.

Offer immediate stabilization for at-risk staff (e.g., guaranteed interview windows, bridge assignments, or temporary placements) to prevent layoffs cascading into housing loss.

These are practical steps that honor promises, protect capacity, and avert avoidable human harm. They also address the emotional reality unfolding right now. Staff cannot plan their lives around rumor. We need clarity in days, not months, so fear doesn’t turn into resignations, and resignations don’t become service gaps. A clear, public commitment restores trust for employees, providers, and clients alike.

Please do not let this reform be remembered for breaking the backs of the people who carry it. Keep your word. Protect the workforce so the workforce can protect our neighbors. When skilled LAHSA staff remain employed, housed, and engaged, the system retains the expertise that turns policy into placements and placements into lasting housing. When those staff are cut adrift, the system loses speed, precision, and heart.

We entered this field to prevent homelessness, not to experience it. We believed the Board when it said we would be brought forward. Honor that

	Other		commitment now—with a concrete pathway, a humane timeline, and continuity plans that move programs with their people. Do that, and this new department will launch with strength. Fail to do it, and the system will bleed experience, clients will feel the fallout, and some of your own public servants may become the very people they work every day to help. Thank you for your time, for your service to Los Angeles County, and for choosing a course that keeps promises, keeps staff housed, and keeps our system effective
		Ann Dorsey	Immigrants are the lifeblood of our communities. We depend on them for our day-to-day well-being. I urge you to sponsor, co-sponsor and otherwise support legislation that will keep immigrants safe and help them to thrive. Thank you for what you have already done.
		Ann Dorsey	I urge you to use your position to help me call on Congress to do everything they can to protect voting rights by supporting and passing legislation that protects those rights, such as the John Lewis Voting Rights Advancement Act and blocking legislation that will make it difficult to vote such as the SAVE Act. It is imperative that this be made a top priority because the U.S. Supreme Court is poised to rehear Louisiana v. Callais and could nullify Section 2 of the Voting Rights Act (VRA) — the last major safeguard against racially discriminatory political maps. A new analysis from Fair Fight Action and Black Voters Matter lays bare what's at stake: Gutting Section 2 could lock in 27 more safe Republican U.S. House seats, with at least 19 directly tied to the loss of its protections. Up to 30% of the Congressional Black Caucus and 11% of the Congressional Hispanic Caucus could lose their seats. The ripple effects would reach every level of government, from city councils to school boards, transforming local democracy into a partisan machine. If Section 2 falls, Republicans' long-term gerrymandering strategy will cement single-party control for a generation ending free and fair elections. Electoral contests would persist in form but not in substance; citizens could still vote, but their votes would no longer determine power. Thank you for taking action. Please keep fighting to protect our democracy.

COMMENT FOR OCTOBER 28, 2025!

AROGANT HOLLYWOOD & ALISON HELEN FAIRCHILD'S PUBLIC
COMMENT FOR OCTOBER 28, 2025, COUNTY OF LOS ANGELES BOARD
OF SUPERVISORS' PUBLIC BOARD MEETING!

The County of Los Angeles must immediately dismiss the frivolous workplace violence petition restraining order 25STRO03574. Attached hereto is a true and correct electronic portable document file copy of Exhibits 1-42, all inclusive. Exhibits 1-42 prove by clear and convincing evidence that Superior Court of California, County of Los Angeles Stanley Mosk Superior Court civil law case 25STRO03574 has no merit because AROGANT HOLLYWOOD [hereinafter "KING AROGANT"] has not made any contact whatsoever with RACIST & LYING County of Los Angeles Deputy District Attorney Brian MARK Rosenberg (SBN # 291501) since KING AROGANT sent a single email to RACIST Brian MARK Rosenberg in early November 2023. The evidence in Exhibits 1-42 clearly proves by clear and convincing evidence that KING AROGANT has never contacted Brian MARK Rosenberg by any means of communication since early November 13, 2023.

The County of Los Angeles will be held legally liable for its judicial officer, Timothy R. Martella, granting both a frivolous temporary restraining order on November 14, 2023 and then shortly thereafter a permanent restraining order for LYING & RACIST Brian

MARK Rosenberg (SBN # 291501) in frivolous and RACIST Superior Court of

California, County of Los Angeles, Pasadena Superior Court case PDRO001713 on December 20, 2023. Exhibit 7 proves by clear and convincing evidence that pursuant to California Civil Code of Procedure § 527.6, RACIST Rosenberg's petition showed no course of conduct, and also the illegal petition showed that RACIST Rosenberg was never a victim of a credible threat of unlawful violence or a victim of unlawful violence. During the year 2024, the County of Los Angeles paid its employee Timothy R. Martella a grand total of \$ 244,129.00.

County of Los Angeles and RACIST Brian MARK Rosenberg fabricated lies in their 25STRO03574 workplace violence petition legal documents by lying to the Superior Court that RACIST Rosenberg's frivolous PDRO01713 civil harassment petition prevented KING AROGANT from going to RACIST BRIAN MARK ROSENBERG'S workplace located at 150 West Commonwealth Avenue, Alhambra, CA 91801, First Floor. THIS IS NOT AT ALL TRUE! See now Exhibit 7 at page 86. The Superior Court order stated that KING AROGANT must stay 100 yards away from RACIST BRIAN MARK

Rosenberg and his vehicle. Nowhere on the frivolous Superior Court of California, County of Los Angeles, Pasadena Superior Court, December 20, 2023, permanent injunction court order does it order KING AROGANT to stay 150 yards away from the job or workplace of RACIST BRIAN MARK Rosenberg! Pursuant to United States Supreme Court case Monell v. Department of Social Services, 436 U.S. 658, 98 S.Ct 2018, 56 L.Ed.2d 611 (1978) County of Los Angeles will be held liable for the reckless, fraudulent, and unconstitutional actions of its employees Timothy R. Martella

(paid \$ 244,129 by the County of Los Angeles in 2024) and RACIST Brian MARK

Rosenberg (SBN 291501) (paid \$ 310,478.00 in total pay and benefits by the County of Los Angeles during the year 2024).

County of Los Angeles and its corrupt Sheriff Robert G. Luna did not have any jurisdiction or legal authority to willfully, recklessly, knowingly, fraudulently, wantonly, deliberately, carelessly, and callously lock out a disabled woman named Alison Helen Fairchild out of her home located at 2308 Felicia Avenue, Rowland Heights, CA 91748 using an invalid, phony, bogus, and illicit Superior Court of California, County of Los Angeles, West Covina Superior Court writ of possession that did not bear her name and was attached to an illegal Superior Court of California, County of Los Angeles, West Covina Superior Court civil law case number 24WCUD02475, in which Alison Helen Fairchild was dismissed without prejudice by Plaintiff Chen Property RH LLC. Alison Helen Fairchild was dismissed from illegal Superior Court of California, County of Los Angeles, West Covina Superior Court civil law case 24WCUD02475 in December 2024, which was the same exact case number printed on the illegal 5-day-notice-to-vacate left on her home's front door by County of Los Angeles peace officers on or about June 8, 2025. The reckless actions of County of Los Angeles employee Leslie Bouvier Gutierrez (SBN # 276241) in conspiring with federal district court Defendants Robert G Luna, County of Los Angeles, Songfong Tommy Wang (SBN # 272409), Fae Chen, Orange Chen's Property LLC, Chen Property RH LLC, and DOES 1-10 was one of the main reasons why Alison Helen Fairchild was wrongfully evicted on or about June 15, 2025. County of Los Angeles judicial officer employee Leslie Bouvier Guitterez allowed

Alison Helen Fairchild to be wrongfully evicted and fraudulently signed off on her co-conspirators' invalid writ of possession, even after KING AROGANT had submitted documents and told her on the record that Plaintiff Chen Property RH LLC had voluntarily dismissed Fairchild from Superior Court of California, County of Los Angeles, West Covina Superior Court civil case

AGGRAVATED CORRUPTION, and FEDERAL AGGRAVATED GREED & FEDERAL AGGRAVATED HATATRED, EVENTUALLY AGGRAVATED TAKING A BRIBE ! IN EVERY OFFICER THERE'S AN OFFSHORE BANK ACCOUNT FOR EVERYBODY IN THE WORLD.

My perception says this is all due to Aryan brotherhood on the D block at San Mateo County Jail where all the murders and everything happened at. right under Christina Corpus deputy Lovejoy.

It's like every cock sucking coward in the nation had to come out and cause as much shit as they could because they got to suck the man's dick when they get there.

That's the reason they have so many offshore bank accounts with everyone at that San Mateo County jail as well as the prison system as well and across the United States of America. Minimum 5 million to \$500 billion and every offshore bank account cross the United States of America at every sheriff and police department fire department how everybody that was a celebrity is now dead and they paid every one of your corrupt trustees to go to work for you because how they were just to trainee.

Then you have this arrogant cop over here. On Sunday he comes over here and starts all this shit and has somebody called in from Santa Cruz to come down for an outreach program with a loaded fucking handgun under his goddamn arm both of them had loaded guns on him but yet they're standing on fucking public property telling me where the fucking go right but when the sheriff's department gets here they just let the motherfuckers run away right what an incompetent fucking agency. And this chief of police is HARBORING A FUGITIVE FROM JUSTICE (WILLIAM MORRELL) while working for the Department with him smoking His crack cocaine and drinking his whiskey. No clue about vehicular homicide as a drunk mother fucker driving his car with a loaded FIREARM as attempted murder right why your FEDUALLY AGGRAVATED BANK ARMED ROBBERY. Just to get to me on public land you have to go through a public Bank Shopping Center.

Where at in the law does it state that law enforcement has a right to invade in the public business areas doing business with the public we're at in the law does it state that you have a right to invade in the public?

Then you have them go into Google and tell them that I can't complain and can't have a comment on any part of Google or anywhere on the fucking internet anymore because my public rights have been violated by this piece of shit. But this is the kind of education you give your law enforcement in the community right.

In my intuitiveness leads me to believe that the Bakersfield Police Department send some Yahoo's down here and had your Yahoo in this fucking Community Chase my dick around the whole time because how I caught the Bakersfield Police Department chief of police buying crack cocaine from someone in the fucking City and put it on a video for the Bakersfield Police Department of you and they've never done anything but yet they could send these jackasses down here though.

				There's \$75 million in a offshore bank account There's 75 million different reasons for him to come out here and do this stupid shit everyday. Then you have to understand why they excited riot within the department to go out there and Chase my dick because all of them got a 75 million offshore bank account. 5754 Lindero Canyon Rd, Westlake Village, CA 91362 app2.onlinemedicalcard.com/register?ref=N172421, I've been using Too Good To Go. Exhibits 1-16 prove by clear and convincing evidence that County of Los Angeles employee **Latrice Antoinette George-Byrdsong (SBN # 247217)**, who was paid by the County of Los Angeles \$ 208,773 during the year 2024, knew that based on Exhibits 1-16 that there was no basis for granting County of Los Angeles's frivolous workplace violence petition on August 19, 2025. Corrupt, partial, in collusion, and biased judicial officer Latrice Byrdsong knew that she was fabricating lies in open court, that she did not see RACIST Brian MARK Rosenberg's perjurious city of Alhambra police department crime report attached as an Exhibit to the County of Los Angeles's frivolous workplace violence petition in illegal Superior Court of California case **25STRO03574**. Corrupt and lying County of Los Angeles employee Latrice Byrdsong knew that she was violating her judicial code of ethics, numerous California Evidence Codes, and KING AROGANT'S United States Fourteenth Amendment Due Process Clause constitutional civil rights by striking evidence of RACIST Rosenberg's police report and not allowing KING AROGANT to ask any further questions regarding a police report that was relevant evidence and was also filed by the County of Los Angeles in its frivolous workplace violence petition in June 2025. County of Los Angeles employee Latrice Byrdsong also violated KING AROGANT'S constitutional civil rights by limiting his cross-examination of RACIST Brian MARK Rosenberg and Cynthina Nakao!

1 As the courts have stated, the purpose of the Brown Act is to facilitate public
2 participation in local government decisions and to curb misuse of the democratic
3 process by secret legislation by public bodies. (*Cohan v. City of Thousand Oaks* 30
4 Cal.App.4th 547, 555 (1994). To these ends, the Brown Act imposes an “open meeting”
5 requirement on local legislative bodies. (§ 54953 (a); *Boyle v. City of Redondo Beach* 70
6 Cal.App.4th 1109, 1116.) (1999) [citations omitted]. On information and belief, the
7 reckless actions of all five County of Los Angeles board of supervisors alleged herein
8 and above, denied and deprived KING AROGANT public participation in County of
9 Los Angeles board of supervisors meetings on July 21, 2025, October 14, 2025, October
10 21, 2025, and October 28, 2025.

11 The Brown Act applies to the “legislative bodies” of all local agencies in California,
12 e.g., councils, boards, commissions and committees. (ID. §§ 54951, 54952.) I

13 The governing bodies of local government agencies are the most basic type of body
14 subject to the Act’s requirements. These include the board of supervisors of a county,
15 the city council of a city or the governing board of a district. (§ 54952(a).) In addition,
16 the Act expressly applies to local bodies created by state or federal statute. (§54952(a).)
17 The board of directors for a joint powers authority would be covered as a governing
18 body of a local agency; joint powers authorities are also covered because they are
19 created according to a procedure established by state law. (§ 6500 et seq.). County of
20 Los Angeles Board of Supervisors qualifies as a local agency pursuant to the statutes of
21 the Brown Act.

22 The term “meeting” is defined in section 54952.2 and expressly discusses several
23 types of meeting formats. First, the term “meeting” includes any congregation of a
24 majority of the members of a legislative body at the same time and place to hear,
25 discuss or deliberate upon any matter which is under the subject matter jurisdiction of
26 the agency. (§ 54952.2(a).) Under this definition, face to face gatherings of a legislative
27 body in which issues under the subject matter jurisdiction of the body are discussed,

9 The Brown Act specifically authorizes the legislative body to adopt regulations to
10 assist in processing comments from the public. The body may establish procedures for
11 public comment as well as specifying reasonable time limitations on particular topics or
12 individual speakers. So long as the body acts fairly with respect to the interest of the
13 public and competing factions, it has great discretion in regulating the time and
14 manner, as distinguished from the content, of testimony by interested members of the
15 public. (§ 54954.3(b).). County of Los Angeles is legally liable for its five board of
16 supervisors and employees willfully, recklessly, maliciously, knowingly, deliberately,
17 fraudulently, carelessly, and callously failing to add over 3,000 pages of KING
18 AROGANT'S attached public comments for October 14, 2025, October 21, 2025, and

21

22 When a member of the public testifies before a legislative body, the body may not
23 prohibit the individual from criticizing the policies, procedures, programs or services
24 of the agency or the acts or omissions of the legislative body. (§ 54954.3(c).) This
25 provision does not confer on members of the public any privilege or protection not
26 otherwise provided by law. The County of Los Angeles Board of Supervisors' reckless
27 actions of deliberately ending KING AROGANT'S telephonic public comments in

1 purely unconstitutional, and each of them will be SUED!

2
3 Public meetings of governmental bodies have been found to be limited public fora.
4 As such, members of the public have broad constitutional rights to comment on any
5 subject relating to the business of the governmental body. Any attempt to restrict the
6 content of such speech must be narrowly tailored to effectuate a compelling state
7 interest. Specifically, the courts found that policies that prohibited members of the
8 public from criticizing school district employees were unconstitutional. (*Leventhal v.*
9 *Vista Unified School Dist.*, 973 F.Supp. 951 (1997); *Baca v. Moreno Valley Unified*
10 *School Dist.*, 936 F.Supp. 719. (1996). These decisions found that prohibiting critical
11 comments was a form of viewpoint discrimination and that such a prohibition
12 promoted discussion artificially geared toward praising (and maintaining) the status
13 quo, thereby foreclosing meaningful public dialogue.
