Public Comment		Other	Santiago Valente	This comment is for Hilda Solis board what are you doing and your team to clean up Downtown LA it looks like are city with nothing full with homeless and business shutting down their are some parts of DTLA that include luxury hotels, restaurants and apartments. But this just super dirty please come out and make a plan many events coming to Los Angeles. Make Los Angeles great again board member!!!!
			Susan Rocha	I was maliciously prosecuted by Divine Saviour catholic church 90065 and Priest Albert Pragasam and his lying church members Patricia Celaya and her 80 year old dad for a crime that never happened. A jury found me not guilty. Cruel. Nothing cruelier than that. I protest Divine saviour catholic church noisy amplified sound system. And no one will do anything about it. So the church and 2 Priest have taken me to court on 2 separate court cases. Both Priest lost. Priest Albert Pragasam and Priest Marco Ortiz. Stop the noisy amplified sound system. It is off key tape recordings 10 times a day everyday
