DECLARANT'S COMMENT:

“My name is Michelle Walker, case [REDACTED]. You talk DV today but you ignore DCFS worker DV: Document Violence. Workers file false reports saying parents ‘miss visits’ when emails prove workers contacted parents. Workers add abuse allegations that never existed for 4 years. That’s violence to families. Sanction workers per CCP 2023.030 like you sanction parents. Stop the raggedy talk about parents and start the truth about workers.”

I declare under penalty of perjury that the foregoing is true and correct.
