4. Implementing the Priority Strategies of the Equity in County Contracting Project Team

Revised recommendation as submitted by Supervisors Mitchell and Kuehl: Direct the Chief Executive Officer to develop a centralized contracting and procurement office within the Internal Services Department (ISD), in collaboration with the Director of Economic Opportunity, that would be both an internal resource to County Departments and an external resource to small employers looking to contract with the County more easily, this office shall, among other priorities, institutionalize the work of the Equity in County Contracting (ECC) Action Teams and Workgroups, lead the work of continuous, equitable and efficient improvements to the County's contracting and procurement processes, in consultation with the Executive Director of the Antiracism, Diversity and Inclusion Initiative, establish training schedules and provide training to County Departmental contract and procurement managers and staff, develop recommendations to address the barriers to equitable reimbursement and compensation of contractors, including issues related to inadequate indirect cost rates and prohibitive insurance costs for contractors, and in partnership with the Director of Economic Opportunity, meet on a regular, scheduled basis with Community-Based Organizations (CBOs) and nonprofit stakeholders to identify, address and streamline issues within the County contracting and procurement system; report back to the Board in writing during the Fiscal Year (FY) 2023-24 Recommended Budget phase, identifying staff and resources to operationalize the centralized contracting unit, effective in FY 2023-24; and take the following related actions:

Instruct the Director of Economic Opportunity, in consultation with the Chief Executive Officer, the Acting County Counsel, the Director of Internal Services, the Auditor-Controller, the ECC Action Teams and Workgroups, and other relevant Departments and stakeholders, to take the following actions:

Drawing on prior Board reports and the work of the ECC Action Teams and Workgroups, report back to the Board in writing within 60 days identifying barriers to certification as County Local Small Business Enterprises (LSBEs), Disabled Veteran Business Enterprises (DVBES) and as Social Enterprises (SEs) that qualified businesses, CBOs and nonprofits experience, as well as recommendations to address those barriers and an associated implementation plan, with the report to discuss outreach efforts and ways to increase qualified businesses, CBOs and nonprofits awareness of, and ability to, participate in the aforementioned preference programs, including ways to incentivize certification

by, for example, connecting certified entities to technical assistance and capacity building, and explore ways to tier contracts to allow smaller enterprises to compete against other smaller enterprises; and

Within 90 days, and unless otherwise directed by the Board, start to execute the implementation plan and report back to the Board with bi-annual progress reports until implementation is substantially complete;

Instruct the Director of Economic Opportunity and the Auditor-Controller, in consultation with the Chief Executive Officer, the Acting County Counsel, the Director of Internal Services, and the ECC Action Teams and Workgroups, to recommend changes to the Small Business Payment Liaison and Prompt Payment Program Policy to expand the prompt payment program to include certified DVBES and SEs and report back to the Board in writing in 60 days; and report back to the Board in writing in 120 days with recommendations for designing an interest-free revolving loan fund to provide start-up funds and working capital for CBOs and nonprofits, and a low-interest loan fund to provide start-up funds and working capital for small businesses, where the design should identify funding sources, an implementation entity, approach, and a timeline, and also leverage learnings from the County's small contractor bonding fund program currently administered by Merriwether & Williams Insurance Services;

Instruct the Auditor-Controller, in consultation with the Chief Executive Officer and the Directors of Economic Opportunity and Internal Services, within 180 days, to coordinate with all Departments to expand efforts to use the Electronic Countywide Accounting and Purchasing System or other methods, including, but not limited to, surveys of Departments, to transparently report on procurement data for small businesses, CBOs and nonprofits, including:

Publicly reporting on annual utilization data for LSBES, DVBES and SEs;

Tracking and publicly reporting on annual utilization data for Community Business Enterprises, including a disaggregation by demographic category: Women Business Enterprises, Minority Business Enterprises, Disadvantaged Business Enterprises, and Lesbian, Gay, Bisexual, Transgender, Queer, and Questioning-Owned Business Enterprises; and

Report back to the Board in writing in 60 days on a plan to track and publicly report Departments' average payment cycle times - from the date an invoice is received to the date that it is paid;

Instruct the Acting County Counsel, in collaboration with the Director of Economic Opportunity, to return to the Board within 90 days with an ordinance for introduction that codifies the County's 25% utilization goal for LSBE's and 3% utilization goal for DVBES; and

Instruct the Director of Internal Services, in consultation with the Chief Executive Officer, the Auditor-Controller and the Director of Economic Opportunity, to do the following:

Within 60 days, implement a one-year pilot program for one or more Departments that will increase the Simplified Acquisition Process (SAP) threshold in those Departments to \$100,000, with the pilot department(s) to be selected based on contracting volume to ensure utilization of an expanded SAP and existing contracting controls to prevent fraud;

Report back to the Board in writing within 90 days describing the pilot program launch and report again in writing at the conclusion of the pilot period with associated findings and recommendations and proposed phasing to increase the SAP threshold to \$100,000 for all Departments Countywide;

Within 90 days, develop a pilot program for one or more Departments that will mandate annual automatic contract advances for a specified set of contracts with CBOs where feasible (given legal, funding and other restrictions) and require the chosen Departments to report back to the Board on progress on a bi-annual basis; and

Report back to the Board in writing in 90 days with the proposed contract advance policy and the plan to implement the policy across the pilot Departments, including requirements that pilot Departments must fulfill. (22-2937)
