Engage in formal negotiations with the Cities of Duarte, Irwindale, and Azusa (Cities), and with the United States Army Corps of Engineers (USACE), to evaluate and develop one or more long-term governance structures for the Lario Staging Area including, but not limited to, a direct lease between USACE and the Cities or their Joint Powers Authority (JPA), or a County-to-JPA sublease, should USACE require County participation.

Assurance that Lario Park (26 acres) continues as a regional recreation amenity, free of charge, with public access levels consistent with historic County-maintained access;

Compliance with USACE requirements and applicable environmental and recreational standards;

Appropriate indemnification and liability protections for the County;

Clear delineation between the Lario Staging Area and the County's Santa Fe Dam Recreation Area; and
